Transgender Resilience and Advocacy

"Trans people are extraordinary, strong, intelligent, persistent and resilient. We have to be. And we will not stand for the picking and choosing of rights. We still have hope."
-Grace Dolan-Sandrino

Resilience Diaries: Full Documentary

This documentary from the East Africa Visual Artist focuses on the lives of transgender people in Uganda. The documentary looks closer at the legal and health challenges the trans community faces. It highlights their resiliency in navigating the challenges they face in accessing essential services. To learn more about this community, click on the video.

How We Found Pride Being Trans

In this short video from As/If, they interview a group of transgender people and ask them to share what gives them pride as a trans person. They share experiences about community resilience and how their loved ones advocate for their well-being. Click on the video to hear more about what brings joy to this group of trans people and the impact on their families.
