

LGBTQ+ED

CFH'S LGBTQ+ PROGRAM WEEKLY NEWSLETTER

WEEK OF FEBRUARY 14-20, 2021

word of the week

Demisexual: Demisexuality is a sexual orientation in which someone feels sexual attraction only to people with whom they have an emotional bond. Most demisexuals feel sexual attraction rarely compared to the general population, and some have little to no interest in sexual activity. Demisexuals are considered to be on the asexual spectrum, meaning they are closely aligned with asexuality.

statistic of the week

According to the Williams Institute and the HRC Foundation's own research, studies suggest that about 50 percent of people who identify as either gay, lesbian or bisexual, identify as bisexual. This makes the bisexual population the single largest group within the LGBTQ community.
