CFH'S LGBTQ+ PROGRAM WEEKLY NEWSLETTER

WEEK OF JUNE 28 - JULY 4, 2020

word of the week

Androgynous - Identifying and/or presenting as neither distinguishably masculine nor feminine

statistic of the week

"Pooling data from numerous studies demonstrates a regret rate [following gender transition] ranging from .3 percent to 3.8 percent. Regrets are likely to result from a lack of social support after transition or poor surgical outcomes using older techniques."
